Riviera Group Names Chairmen Of Committees

Appointment of 16 committee chairmen to head up the various committees of the Riviera Homeowners' Association has been announced by Ted Baciu, 4201 Paseo de las Torugas, newly elected president.

Baciu will head the City Council and Commissions Committee and the Airport Committee, while Stanley Dunn, first vice president, will head the Schools and the Riviera Community Association committees.

Other new chairmen include Lorne O'Brien, second vice president who will head the Membership Committee; Sidney Croft, parks and playgrounds; Mrs. Ralph Brogdon, hospitality; Mrs. John Schoenberg, press and public relations; and Mrs. Joseph Jay, historian.

Co-chairmen of the annual dinner-dance are Mrs. Joseph Jay and Mrs. Lawrence Abramson. Other chairmen are Mrs. J. V. Cluckey, Riviera Beautiful Committee; Richard Hall, traffic; Joe Kirner, special projects; and John Mikkelsen, Riviera Village representative.

James S. Finley will serve as parliamentarian and John Haidinger and Mrs. Louis Kaplan will serve as representatives to the Torrance Area Chamber of Commerce.

Officers of the association include Stanley Dunn, first vice president; Lorne O'Brien, second vice president; Sidney Croft, recording secretary; Richard Hall, corresponding secretary; and Mrs. J. V. Cluky, treasurer.

Members of the Executive Council include Dave Halstead, John Haidinger, Mrs. Louis Kaplan, Lloyd Cox, Joe Kirner, and John Mikkelsen. Mrs. Kaplan is the immediate past president.

Openings Now Available For Summer Day Camp

Openings are still available for the Chippewa Pow Wow Day Camps at Torrance Park, 2001 Santa Fe, Monday, July 15, through Friday, July 19, and at El Nido Park, 18301 Kingsdale, Monday, July 22, through Friday, July 26.

Sponsored by the Torrance Recreation Department, the day camp offers campers 7 to 11 years of age an experience in outdoor living. Camp skills including firebuilding, compass reading, outdoor cooking, nature lore, crafts and camp first aid will be practiced.

Victim of Accident Identified

An unconscious accident victim presented an identification problem to Torrance police late Saturday night after passersby found the victim sprawled beside his demolished car.

Police said the car was discovered at 10:15 p.m. in a vacant field near the corner of Van Ness Avenue and Del Amo Boulevard.

The driver was later identified as Mike Adair Ayers, 1037 Cabrillo Ave. When police found Ayers without identification, they traced the car to its registered owner in Huntington Beach, who said he had sold the car to Ayers a short time back.

Police attempted to verify Ayers' identity by calling his home, but were connected with someone who said he couldn't speak English and then hung up.

Ayers was reported to be conscious and in good condition Monday at Harbor General Hospital, where he was treated for facial lacerations.
